Over \$100,000 raised at *Our Hospital Walk/Run*

North Bay, ON - Today 789 participants and volunteers of the 5th annual *Our Hospital Walk/Run* helped raise over \$100 thousand dollars for the North Bay Regional Health Centre.

This is the second year the Walk/Run, presented by platinum sponsors Plenary Health and Johnson Controls, took place at the NBRHC property. New this year were routes that took advantage of the unique landscape of our hospital location. Participants chose between the hospital mile, 5km, 6km trail run or the 8km.

Our Hospital Walk/Run helps improve the wellness of our community. Funds raised during this event will support the Hospital's greatest needs. The Hospital has identified Diagnostic Imaging as a greatest need.

Race results and more information about the event are available at www.ourhospitalwalkrun.ca.

Next year's *Our Hospital Walk/Run* is scheduled for October 14, 2012.
